

Year 1 Homework

Daily Reading

Share a book with somebody at home. It could be your school book, something online, a library book or one of your own. You can ask your grown up to read some to you too. Once finished, tell them what it was about, what you liked/disliked and if there were any new words that you learnt. Maybe you could jot them in your reading journal too. Remember to get it signed so that you can earn stickers for 20, 50, 100, 200 and 300! As Dr Seuss said, 'The more that you read, the more things you will know. The more that you learn, the more places you will go'. Challenge; Learn about comprehension skills on BBC Bitesize. [Comprehension - KS1 English - BBC Bitesize](#)

Practise your phonic sounds and blending using these QR codes. They will take to practise phonics screenings.

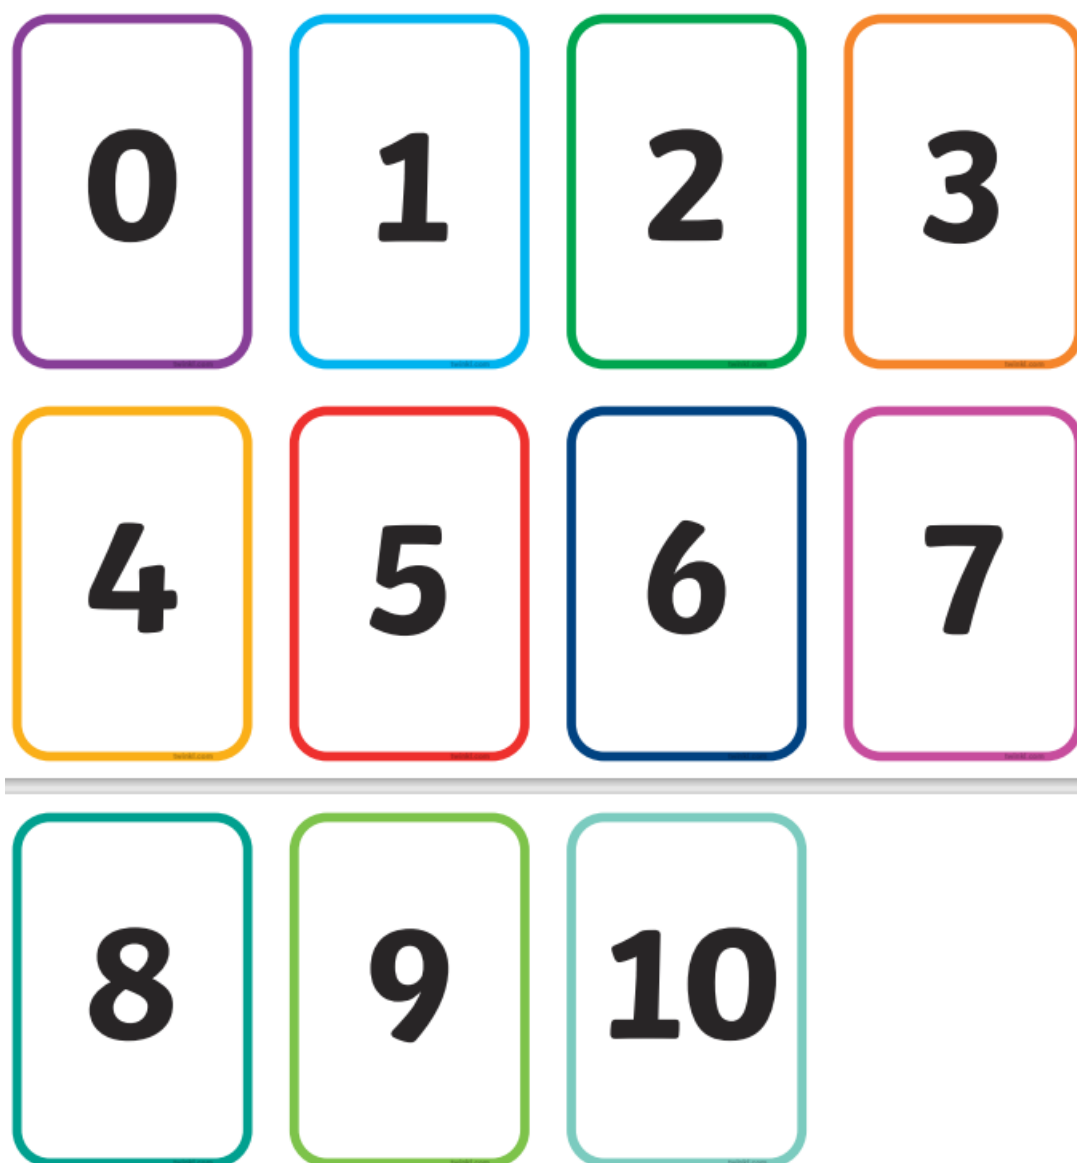

Maths

This week we have continued adding equal groups and discovered what it means to double a number.

Play a game of snap at home, identify that when there is a snap it means that there are two of the same numbers.

Print these out if you do not have any playing cards at home.

Look at the two cards that snap. Discuss each separate card.

Ask questions: What number do the cards represent? Are they the same? Is this a double? How do you know? What is double ?

Challenge: Write a number sentence for the double. i.e. Double 10 is 20 / $10 + 10 = 20$

Writing

We have been learning the meaning of new vocabulary within our story this week. Can you read a text together (book / newspaper article / cartoon etc) and identify the meaning of new words?

Challenge: write your new word in a sentence.
