The written representation of the phoneme is called a grapheme. Can you practise writing the graphemes that we have learned this week? Use the phrase that goes with each grapheme to help you remember how to write it.

Graphemes: If you want to practise writing our new sounds, follow the phrases below and write them in your yellow homework book:

 i	 n	 m	 d
Down the iguana's body, then draw a dot [on the leaf] at the top.	Down the stick, up and over the net.	Down, up and over the mouse's ears, then add a flick on the nose	Round the duck's body, up to its head and down to its feet.
