In Year 1 we will be exploring the natural world through our theme 'Look What We Found in the Woods!' We will also explore celebrations and vehicles.

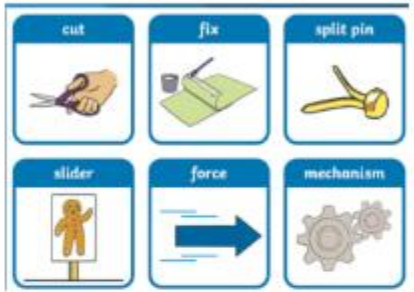

Examples of some texts that will be used: **Look What I Found in the Woods** (Moira Butterfield, Jesus Verona) **The Little Red Sleigh** (Erin Guendelsberger)

What I am learning in Year 1

Autumn Term 2026

English	Mathematics	Science	Drama	History	Geography	Design and Technology
We will focus on these stories and use them to help with our writing. We will use simple pictures to help us write sentences.  	We will learn about place value, addition and subtraction within 10 and shapes. We will focus on forming our numbers correctly. 	We will look at seasonal changes and learn about animals including humans, looking at the 5 senses.  	We will role play stories, hot seat characters and practice speaking in front of the class. 	We will talk about our own experiences using vocabulary now/then. We will find out about vehicles from the past. 	We will explore our local area and create a simple map. 	We will look at mechanisms and making moving story books. 

RE	Music	Computing	PE	RSHE
We will learn about Christianity. We will think about '**Who made the world?**' We will also learn about some special festivals in the Buddhism and Judaism.	We will listen to different styles of music and learn songs together. 	We will learn about technology around us and create digital paintings. 	We will learn basketball, hockey, dance and dodgeball. 	We will look at how we can look after our emotions.
