Hopefully you all had a restful week over half term – that is if you escaped the chicken pox bug that has been circulating.

Welcome to Mrs Penny Powling who has joined our LSA team working in Year 2 in the afternoons. Some of you may also be aware that Mrs Keogh is going to be absent from school for a while. Cherry class is being covered by Mrs Brazier. We are also delighted to let you know that Miss Nunn is expecting a baby, which is due in July.

It was lovely to see some of the children in their Brownie/Beaver uniforms for World Thinking Day and to hear them talk about what it means to be part of these groups.

We are looking forward to welcoming more parents in to assemblies, open mornings and afternoons over this half term.

SCHOOL DINNER

As you know our menu is on a 3 week cycle. This week is week 2 of our new menu. Please ensure your child brings a packed lunch if they have not ordered a hot meal. Please inform the office if there are any changes to your child's choices.

Please remember to name all your children's clothes – then we can return them.

Comic Relief

Friday, 17th March is Comic Relief day.

Watch out for a letter that is coming out shortly about this.

World Book Day

Next Thursday (2nd March) is World Book Day.

We look forward to seeing the children dressed up as a book character or in their PJ's ready for a story.

Textile Recycling

We will be having a textile recycling collection on Wednesday 19th April. Further details will follow.

What are the children learning in school?

Information about the curriculum can be found on the schools website www.moulsham-inf.essex.sch.uk under the information tab then curriculum. Scroll to the bottom of the page where the curriculum overviews for each year group can be viewed.

Sickness & Diarrhoea

Please can we remind you that if your child has had sickness or diarrhoea they **must** stay off school for 48 hours after the last bout. We have had cases recently where children have been sent into school despite having these symptoms.
