Remember to follow us on twitter

@MoulshamInfants

What a busy half term we have had!! With so many short weeks this half term the weeks have flown by. We have been busy celebrating the King's coronation, Year 2s have worked extra hard to do their SATs as well as having additional visitors in school – some we had planned for – the ducklings and some that we were expecting but didn't know until the day before they were arriving OFSTED!! We are still waiting for the report to be finalised, we will share it with you as soon as we are able to. This week all the EYFS children took part in a 'balanceability' session, learning about the importance of balance and keeping safe when riding a bike.

Mrs Stapleton is putting weekly updates on twitter – follow us to see what has been happening in school.

We are delighted to have Mrs Keogh back in school following her treatment; a massive thank you to Mrs Brazier who looked after Cherry class in her absence. Finally we would all like to wish everyone a happy, safe and relaxing half term break.

Non-Pupil Days 2023-2024

Monday, 4th September.

Wednesday, 20th December.

Friday, 16th February.

Monday, 15th April.

Friday, 21st June.

Please put these dates in your diary / calendar.

Children who are unwell

If you are a working parent it is imperative that you have someone available to collect your child if they become unwell and you are not available to collect them. It is not acceptable for children who are unwell to be left in the school office for long periods of time awaiting collection.

Late Collections

School closes at **3.15pm**. We are finding that more and more children are not being picked up on time and are having to be brought back into school. Parents/carers must be available to pick up at the end of the school day. Reasons given for late pick-ups tend to be traffic / parking. Please allow sufficient travelling time to be here to pick up at 3.15pm and perhaps consider parking off site (eg Tescos or Lidl's) to ensure your child is not left waiting at the end of the school day.

Science sponsored event

Thank you to everyone who sponsored children for this event – an amazing £2019.65 has been raised. This money will be used to buy more resources for 'wow experiments'.

SCHOOL DINNER

As you know our menu is on a 3 week cycle. Next week will be week 1 of our menu. Please ensure your child brings a packed lunch if they have not ordered a hot meal. Please inform the office if there are any changes to your child's choices.

Please remember to name all your children's clothes – then we can return them.

There have been reported cases of **head lice** in school – please use the break to check your child's hair and treat if necessary.

THIS SCHOOL IS
NUT FREE

THANK YOU
for keeping our school safe!
