

# My transition book

I am going to be in Reception when I go to school in September.

My classroom is going to be called Oak Class.

Mrs Freeman will be my teacher.

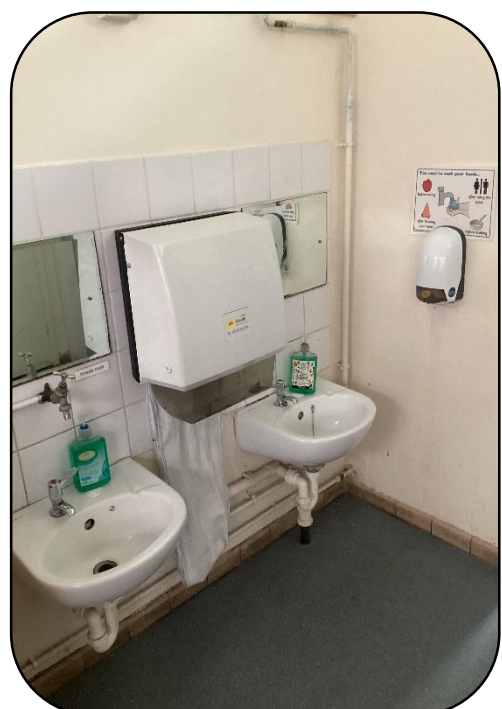

This is Mrs Lockwood, a Learning Support Assistant who will work in my class.

There are lots of fun activities to do each day in my new classroom, including the home corner.

These are the toilets and sinks in my classroom.

We have an outdoor classroom that we use every day.

This is the school hall where we have assemblies, eat our lunch and sometimes do PE.

This is the playground where we play at lunchtime and do PE.

We are all really looking forward to you joining Moulsham Infants School in September!
