

What I am Learning in Reception Autumn 1 2025

Wonderful Autumn

Communication and Language

We will practise listening carefully and taking part in conversations. We will learn new vocabulary and will practise making up our own stories and acting them out.

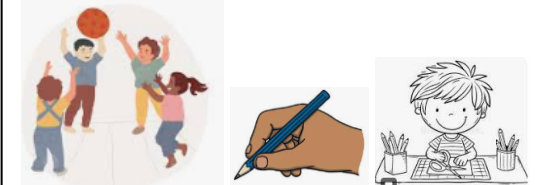

Personal, Social and Emotional Development

We will learn to share and take turns and how to be a good friend. We will practise taking care of our own belongings, as well as doing up zips, buttons and putting coats on.

Physical Development

We will practise moving safely, developing our running, jumping, hopping, and skipping skills. We will develop our hand eye coordination by throwing and catching. We will practise fine motor skills to help develop a tripod grip for writing.

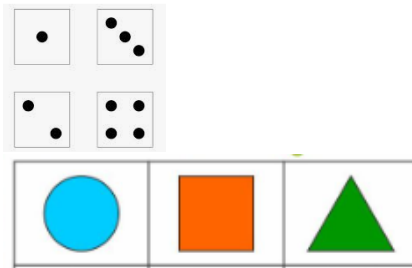

Literacy

We will be listening to lots of different stories, learning letter sounds and how to correctly form each letter. We will also practise blending sounds to read words, as well as spelling simple words.

Mathematics

We will learn to recognise small amounts without counting (subitising), as well as comparing amounts. We will create patterns and talk about different shapes.

Understanding the World

We will be learning about our families and people who are familiar to us. We will talk about things that have happened in the past e.g. last week, last year, long ago. We will explore outdoors and learn about the weather and changing seasons.

Expressive Arts and Design

We will use paints, crayons, colouring pencils and chalks. We will sing songs, dance and use our imagination to make up stories.
