

What I am Learning in Reception Autumn 2 2025

Winter Stories

Communication and Language

We will continue to practise listening carefully and taking part in conversations. We will learn new vocabulary and will practise making up our own stories and acting them out. We will listen to what others are saying and discuss our ideas.

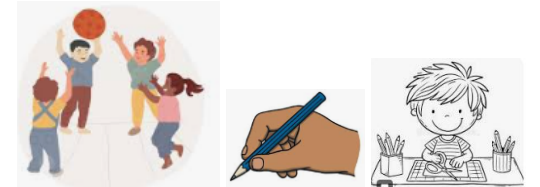

Personal, Social and Emotional Development

We will develop our confidence to try new things. We will choose our own resources and take care of our belongings. We will respect each other's point of view

Physical Development

We will continue to practise moving safely, developing our running, jumping, hopping, and skipping skills. We will practise fine motor skills to help develop a tripod grip for writing.

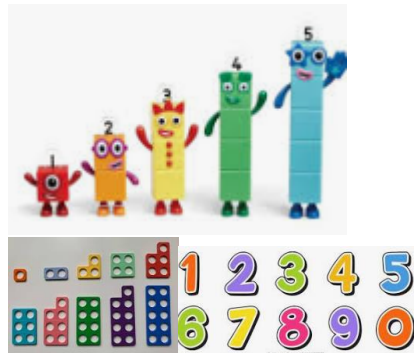

Literacy

We will continue to learn Phase 2 phonemes and graphemes, as well as 'tricky' words so that our reading becomes more fluent. We will practise writing letters, words and short phrases.

Mathematics

We will count and order numbers. We will compare amounts as well as recognising smaller amounts within larger ones. We will learn about 3D shapes.

Understanding the World

We will compare and contrast characters from stories, including figures from the past. We will recognise that people have different beliefs and celebrate special times in different ways.

Expressive Arts and Design

We will work together to create music, art, stories and dance. We will play chime bars and compare various pieces of music.
