The written representation of the phoneme is called a grapheme. Can you practise writing the graphemes that we have learned this week? Use the phrase that goes with each grapheme to help you remember how to write it.

Graphemes: *If you want to practise writing our new sounds, follow the phrases below and write them in your yellow homework book:*

<p>Round the goat's face, up to his ear; down and curl under his chin</p>	<p>All around the octopus.</p>	<p>Curl around the cat.</p>	<p>Down the kite, up and across, back and down to the corner</p>
