

Communication and Language

We will be using several different texts to support our language development, speaking and listening skills, and storytelling.

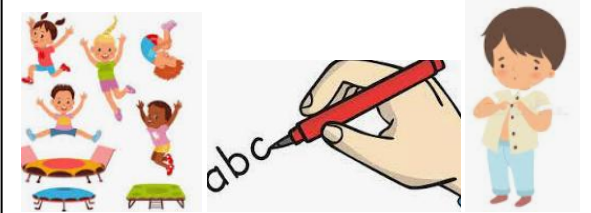

Personal, Social and Emotional Development

We will learn about being a good friend, sharing and taking turns, being kind, and persevering when things are difficult.

Physical Development

We will learn to use a variety of PE equipment. We will continue to practise handwriting, as well as doing up zips and buttons, so that we are more independent.

Literacy

We will learn new phonemes to support our reading and writing. We will be writing sentences, speech bubbles, and stories.

Mathematics

We will learn about the 'part whole' model, number bonds, and comparing amounts.

Ways to make

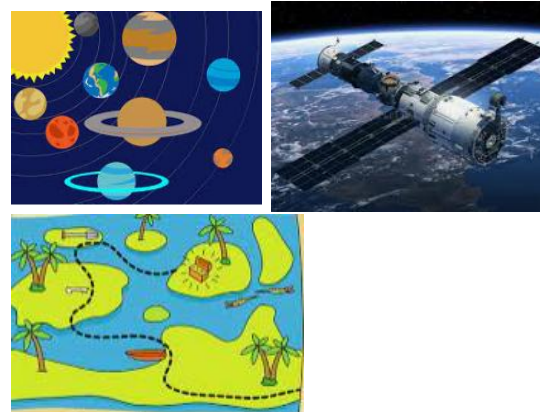

5

$0+5=5$	$3+2=5$
$1+4=5$	$4+1=5$
$2+3=5$	$5+0=5$

More, Less and Equal

Understanding the World

We will learn about the solar system and life on a space station. We will create maps and learn about other countries.

Expressive Arts and Design

We will learn songs and dances, mix paints to create new colours, and create models using recycled materials.
